

LUSSIER COMMUNITY EDUCATION CENTER

building community. creating opportunity. enriching education.

2018 Center Holiday Wish List

The LCEC depends on the generosity of many donors to offer the best programs and services to the community. Every year the Center requests donations ranging from computers to new blinds for a classroom, school supplies, tickets to shows and parks, and food for our pantry and children's programs. These in-kind donations help us offset costs and stretch our resources much farther.

We appreciate the extra spirit of giving that prompts you to look at our Wish List this holiday season. **We'll be open for drop-off on Monday and Tuesday, December 10 and 11, from 9am to noon and again from 3pm to 6pm.** If you'd like to donate something that is not on this list or arrange to drop off at another time, please call ahead at **608.833.4979**.

The Center is currently looking for...
