Facility Use Request Form

The Lussier Community Education Center is a place for people of all backgrounds to lead and learn, give and receive. Our space is intended to be an accessible resource used to promote personal growth and community well-being. Facility use proceeds go to operating costs, building upkeep, and the LCEC program support. If our fees would prevent you from using our facility, we are open to negotiate fees on a sliding scale. We hope that our building can be a place utilized by everyone in the community.

We request that you consult LCEC staff for space availability prior to returning this form. Please have an idea of the date and time of your event, as well as what spaces you are interested in. Space inquiries and completed forms can be directed to either of the following LCEC staff members:
