

Support the School Supplies Drive

Opportunities for Organizations

Host a School Supplies Drive

Host your own school supplies drive at your organization! We will provide you with the promotional materials you need to coordinate collecting donations.

Purchase & Pack Supplies

Best for organizations looking to support the School Supplies Drive with both a gift of time & resources. Purchase school supplies from a supplied list & coordinate a team building event where you pack school supplies into backpacks.

Pack Supplies at the LCEC

Best for organizations looking to coordinate an off-site volunteer day. Join staff at the LCEC to pack backpacks full of supplies & prepare them to be handed out to students.

Fundraise for the LCEC

Organize a fundraiser at your organization to support the Schools Supplies Drive. All donations raised will be used to purchase school supplies for youth. Make it fun! Host a Chili Cookoff, a Bake Sale, or a Trivia Night.
